

Cafe Recup – Allround crew member

Looking for

At cafe recup we serve simple food and proper coffee in spaces full of stubborn charm. Real, warm and a little imperfect. Just the way we like it.

For our location in **Antwerp** we're looking for an enthusiastic, hands-on **Crew Member** with experience to bring warmth, care and a good dose of energy to the team and our guests.

Our (imp)perfect match?

- You have the right dose of stubborn charm, the kind that makes people feel instantly welcome. Offering every customer a warm welcome and being ready with advice, you make everyone want to come back.
- You work smoothly behind the bar and in the kitchen, creating coffees, juices and serving up tasty plates.
- You are a true teamplayer, contributing to an inclusive environment and adding positivity (and a touch of calm) even when things get busy.
- You like a cosy, tidy workplace and happily do your bit to keep it that way.
- You embrace opportunities for personal growth, looking for ways to advance and to that little better than the day before

Who you are?

- You are a honest and humble hearted, hard-worker
- You have previous experience in hospitality and know your way around both bar and kitchen
- You are flexible, reliable and don't mind working on weekends
- You are a real go-getter with a hands-on mentality who can switch smoothly and knows how to prioritise, even at the busiest times
- You speak **fluent Dutch** (and are able to switch to English when needed)

What do we offer you?

- Coffee on the house during your shift
- A full-time position (38h) with a variable schedule during the day hours

- A nice salary package according to the barema regulations of PC 302 at cat.II
- Being part of an inspiring environment with authenticity, simplicity and a little bit of stubborn charm.
